

HUD Tenants Coalition

August 1997

Dear Friends,

It is hard to believe that it is ten years since the HUD Tenants' Coalition began!

As part of our Tenth Anniversary celebration, on September 13, 1997, HTC will hold a Benefit Concert at Essex County College in Newark.

We know that you are probably familiar with HTC's work to preserve privately-owned government assisted buildings in the greater Newark area. HTC helps to organize and strengthen tenant associations, train tenant leaders, educate tenants about their rights, and advocate around housing policy issues. HTC member buildings house an estimated 20,000 residents. In the debate about the future of federal housing programs, it is essential that the tenant voice be heard, loud and clear, if these affordable housing units are to be preserved.

We invite you to join us for the Benefit Gospel Concert on Sept. 13. If you need additional tickets, please let us know. If you cannot attend, please make a donation so that a low income resident can attend. Thank you for your support.

Sincerely,

Frank Hutchins
